intermediary will return, as an extra payment on the loan, any funds delivered to the intermediary that have not been used by the intermediary in accordance with the work plan. The Agency, at its sole discretion, may allow the intermediary additional time to use the loan funds. Regular loan payments will be based on the amount of funds actually drawn by the intermediary.

(10) For IRP intermediaries, IRP funds in excess of $250,000 that have not been used to make loans to ultimate recipients for 6 months or more will be returned to Rural Development unless Rural Development provides an exception to the intermediary. Any exception would be based on evidence satisfactory to Rural Development that every effort is being made by the intermediary to utilize the IRP funding in conformance with program objectives.

12. Section 4274.361 is amended by revising paragraph (a) to read as follows:

§ 4274.361 Requests to make loans to ultimate recipients.

(a) An intermediary may use revolved funds to make loans to ultimate recipients in accordance with § 4274.314(b) without obtaining prior Agency concurrence. Prior Agency concurrence is required when an intermediary proposes to use Agency IRP loan funds to make a loan to an ultimate recipient.

Douglas J. O’Brien,
Deputy Under Secretary, Rural Development.

Michael T. Scuse,
Under Secretary, Farm and Foreign Agricultural Services.

SMALL BUSINESS ADMINISTRATION

13 CFR Parts 125 and 127

RIN 3245–AG20

Acquisition Process: Task and Delivery Order Contracts, Bundling, Consolidation; Correction

AGENCY: Small Business Administration.

ACTION: Correcting amendments.

That rule was published with inadvertent errors in two of the regulatory sections.

Those errors are corrected in this document.

DATES: Effective June 3, 2014.

FOR FURTHER INFORMATION CONTACT: Dean Koppel, Office of Government Contracting, U.S. Small Business Administration, 409 Third Street SW., 8th Floor, Washington, DC 20416; (202) 205–7322.

SUPPLEMENTARY INFORMATION: On October 2, 2013, SBA published a final rule to implement provisions of the Small Business Jobs Act of 2010 pertaining to small business contracting procedures. 78 FR 61114. As discussed in detail below, the rule contained inadvertent errors in the instructions for sections 125.6 and 127.503, which affected the final regulatory text for those sections.

In § 125.6, SBA intended to amend paragraph (a) by revising the introductory text only. However, the final rule contained an instruction to revise paragraph (a). As a result, the final rule inadvertently removed paragraphs (a)(1) through (a)(4). SBA is correcting § 125.6 by reinserting these paragraphs.

In § 127.503, SBA intended to remove paragraphs (a)(2) and (b)(2) and redesignate paragraphs (a)(3) and (b)(3) as paragraphs (a)(2) and (b)(2), respectively. However, the rule mistakenly instructed to revise paragraphs (a)(1), (a)(2), (b)(1), and (b)(2). As a result of this erroneous instruction, paragraphs (a)(3) and (b)(3) were not redesignated and are currently
