January 5, 1996

Dr. Lester Ettliger
Defense Nuclear Facilities Safety Board
625 Indiana Avenue, STE 700
Washington, D.C. 20004

Dear Dr. Ettliger:

Enclosed are Traceability Reports for the disposition of the Occupational Protection Requirements of Radiation Order 5480.11 to 10 CFR Part 835, and the disposition of the current Radiation Control Manual provisions. These documents are a supplement to the Traceability Reports sent to you by my letter dated December 28, 1995.

Sincerely,

Richard L. Black, Director
Office of Nuclear Safety Policy and Standards
