Dear Mr. Clements:

Tom

The Defense Nuclear Facilities Safety Board (Board) wishes to thank you for your letter of August 7, 2009, regarding Savannah River Remediation's performance goals. The Board has made its site representative at Savannah River Site aware of your concerns. We understand they have already been in contact with you.

Please continue to feel free to share your concerns with us.

Sincerely,

A handwritten signature in cursive script, appearing to read "John E. Mansfield".
