

DEFENSE NUCLEAR FACILITIES SAFETY BOARD

April 12, 2002

TO: J. Kent Fortenberry, Technical Director
FROM: M.V. Helfrich
SUBJ: Activity Report for Week Ending April 12, 2002

The Oak Ridge Site Representative was on Military Leave this week. Staff members Bamdad and Helfrich were on site to conduct a review of changes to the methodology used at Y-12 to screen accident scenarios and develop controls to prevent or mitigate accidents, as well as to discuss issues raised in the Board letter on the design and construction of the Highly Enriched Uranium Materials Facility.
