DEFENSE NUCLEAR FACILITIES SAFETY BOARD

Washington, DC 20004-2901

ANNOUNCEMENT

**For Immediate Release
Washington, DC**

December 1, 2017

Washington, DC -- The Defense Nuclear Facilities Safety Board (Board) is pleased to announce that Michael Dunlevy has been chosen for the White House Leadership Development Program (WHLDP). As DNFSB's Lead Engineer for nuclear safety oversight activities, Mr. Dunlevy has made great strides for the agency, including providing leadership and technical oversight in a variety of roles for the past decade. Mr. Dunlevy was selected for the current cohort of WHLDP's Performance Improvement Council, to work on the federal government's highest priority and highest impact challenges.
