The Honorable John T. Conway  
Chairman  
Defense Nuclear Facilities Safety Board  
625 Indiana Avenue, NW  
Suite 700  
Washington, D.C. 20004

Dear Mr. Chairman:

During the Secretary's Quarterly meeting with the Defense Nuclear Facilities Safety Board on August 10, 1995, you expressed your desire to be provided with a copy of the Department's Management Action Plan in response to the Independent Evaluation Team Report on Infrastructure and Resources Dedicated to Radiological Protection at the Department of Energy. Enclosed is a copy of the Department's Management Action Plan.

If we can be of any further assistance, please contact Mr. C. Rick Jones, Director, Office of Worker Protection Programs and Hazards Management, on 301-903-6061.

Sincerely,

A handwritten signature in cursive script, appearing to read "Tara O'Toole".

Tara O'Toole, M.D., M.P.H.  
Assistant Secretary  
Environment, Safety and Health
