

DEFENSE NUCLEAR FACILITIES SAFETY BOARD

October 8, 2010

MEMORANDUM FOR: Timothy Dwyer, Technical Director
FROM: Jonathan Plaue, DNFSB Site Representative
SUBJECT: LLNL Activity Report for Week Ending October 8, 2010

The Site Representative was out of the office this week.

DNFSB Staff Activity: J. Anderson, J. Deplitch, and M. Helfrich were at the Laboratory this week to provide coverage of the Site Representative office, observe a meeting of the Requirements Analysis Working Group, and conduct a single day review of the drill and exercise program in the nuclear facilities.
