Topic: Board deliberations regarding upcoming Board Member travel to the Savannah River Site

Summary of matters and key issues discussed, prepared by Deputy General Counsel Joseph Gilman:

On March 23, 2023, the Board held a nonpublic collaborative discussion regarding the upcoming May 2023 Board Member travel to the Savannah River Site. Key issues included: (1) facilities the Board would like to visit, (2) topics that the Board would like to discuss with site personnel, (3) local interest groups that may want to meet with the Board during the trip, (4) other logistical considerations surrounding the trip, and (5) form and substance of Board communications to the Department of Energy relating to the trip.
