Agenda WIPP Board Brief

1. They'd like to hear about topics in the original letter:
 - a. Safety of operations: CBFO's assessment of how safe NWP can conduct operations
 - b. Formal resolution of JONs/CAPs
 - c. Plans to close AIBs
 - d. Federal ORR pre and post starts
 - i. A discussion on how readiness (closure of pre-starts) was verified
2. This question arose from the Board member visit on Jan 11
 - a. Discuss how input from the Board is tracked through the Contractor Assurance System
