

# NNSA Pit Production Alternatives Study Briefing by the Department of Energy to the Defense Nuclear Facilities Safety Board

January 19, 2018 at 10:00 a.m.

## Plutonium Pit Production Analysis of Alternatives (AoA) Results and Next Steps

- Pit Production Strategy and Progress
- Pit Production AoA Scope and Assumptions
- Evaluation Criteria and Other Considerations
- AoA Results: Two Preferred Alternatives
- Engineering Analysis
- Engineering Analysis Next Steps
