which privileged treatment is sought) and with a statement indicating that information has been removed for privileged treatment; and

(4) The name, title, address, telephone number, and telecopy information of the person or persons to be contacted regarding the request for privileged treatment of documents submitted to the Board.

(c) Effect of privilege claim. (1) The Designated FOIA Officer shall place documents for which privileged treatment is sought in accordance with paragraph (b) of this section in a nonpublic file, while the request for confidential treatment is pending. By placing documents in a nonpublic file, the Board is not making a determination on any claim for privilege. The Board retains the right to make determinations with regard to any claim of privilege, and the discretion to release information as necessary to carry out its responsibilities.

(2) The Designated FOIA Officer shall place the request for privileged treatment described in paragraph (b)(1) of this section and a copy of the redacted document described in paragraph (b)(3) of this section in a public file while the request for privileged treatment is pending.

(d) Notification of request and opportunity to comment. When a FOIA requester seeks a document for which privilege is claimed, the Designated FOIA Officer shall so notify the person who submitted the document and give that person an opportunity (at least five days) in which to comment in writing on the request. A copy of this notice shall be sent to the FOIA requester.

(e) Factors to be considered by Board. In determining whether to grant the document privileged status and to deny the request for the document the Board shall consider:

(1) Whether the information has been held in confidence by its owner;

(2) Whether the information is of a type customarily held in confidence by its owner and whether there is a rational basis therefor;

(3) Whether the information was transmitted to and received by the Board in confidence;

(4) Whether the information is available in public sources; and

(5) Whether public disclosure of the information sought to be withheld is likely to cause substantial harm to the competitive position of the owner of the information, taking into account the value of the information to the owner; the amount of effort or money, if any, expended by the owner in developing the information; and the ease or difficulty with which the information could be properly acquired or duplicated by others.

(f) Notification before release. Notice of a decision by the Designated FOIA Officer to deny a claim of privilege, in whole or in part, shall be given to any person claiming that information is privileged no less than five days before public disclosure. The decision shall be made only after consultation with the General Counsel’s Office. The notice shall briefly explain why the person’s objections to disclosure were not sustained. A copy of this notice shall be sent to the FOIA requester.

(g) Notification of suit in Federal courts. When a FOIA requester brings suit to compel disclosure of confidential commercial information, the Board shall notify the person who submitted documents containing such confidential commercial information of the suit.

§ 1703.112 Computation of time.

In computing any period of time under this part, the day of the Board’s action is not included. The last day of the period is included unless it is a Saturday, Sunday or legal holiday, in which case the period runs until the end of the next working day. Whenever a person has the right or is required to take some action within a prescribed period after notification by the Board and the notification is made by mail, five days shall be added to the prescribed period. Only two days shall be added when a notification is made by express mail.

§ 1704.4 Grounds on which meetings may be closed or information may be withheld.

Except in a case where the Board finds that the public interest requires otherwise, a meeting may be closed and information pertinent to such meeting otherwise required by §§1704.5, 1704.6, and 1704.7 to be disclosed to the public may be withheld if the Board properly determines that such meeting or portion thereof or the disclosure of such information is likely to:

(a) Disclose matters that are:

(1) Specifically authorized under criteria established by an Executive Order to be kept secret in the interests of national defense or foreign policy; and

(2) In fact properly classified pursuant to such Executive order. In making the determination that this exemption applies, the Board shall rely upon the classification assigned to a document by the Department of Energy or other originating agency;

(c) Disclose matters specifically exempted from disclosure by statute (other than 5 U.S.C. 552): Provided, That such statute:

(2) Establishes particular criteria for withholding or refers to particular types of matters to be withheld;

This exemption applies to Board meetings, or portions of meetings, involving deliberations regarding recommendations which, under 42 U.S.C. 2286d (a) and (g)(3), may not be made publicly available until after they have been received by the Secretary of Energy or the President, respectively;

(d) Disclose trade secrets and commercial or financial information obtained from a person and privileged or confidential;

(e) Involve accusing any person of a crime, or formally censuring any person;

(f) Disclose information of a personal nature where disclosure would constitute a clearly unwarranted invasion of personal privacy;

(g) Disclose investigatory records compiled for law enforcement purposes, or information which, if written, would be contained in such records, but only to the extent that the production of such records or information would:

(1) Interfere with enforcement proceedings;

(2) Deprive a person of a right to a fair trial or an impartial adjudication;

(3) Constitute an unwarranted invasion of personal privacy;

(4) Disclose the identity of a confidential source and, in the case of a record compiled by a criminal law enforcement authority in the course of a criminal investigation, or by an agency conducting a lawful national security intelligence investigation, confidential information furnished only by the confidential source;

(5) Disclose investigative techniques and procedures; or

(6) Endanger the life or physical safety of law enforcement personnel;

(h) Disclose information the premature disclosure of which would be likely to significantly frustrate implementation of a proposed action of the Board, except that this subsection shall not apply in any instance where the Board has already disclosed to the public the content or nature of its proposed action, or where the Board is required by law to make such disclosure on its own initiative prior to taking final action on such proposal;

(i) Specifically concern the Board’s issuance of a subpoena, or the Board’s participation in a civil action or proceeding, an action in a foreign court or

(a) A majority of all Members may vote to close a meeting or withhold information pertaining to that meeting. A separate vote shall be taken with respect to any action under §1704.4. A majority of the Board may act by taking a single vote with respect to a series of meetings, a portion or portions of which are proposed to be closed to the public, or with respect to any information concerning such series of meetings, so long as each meeting in such series involves the same particular subject matters and is scheduled to be held no more than thirty days after the initial meeting in such series. Each Member’s vote under this paragraph shall be recorded and proxies are not permitted.

(b) Any person whose interest may be directly affected if a portion of a meeting is open may request the Board to close that portion on any of the grounds referred to in §1704.4(e), (f), or (g). Requests, with reasons in support thereof, should be submitted to the General Counsel, Defense Nuclear Facilities Safety Board, 625 Indiana Avenue, NW., suite 700, Washington, DC 20004. On motion of any Member, the Board shall determine by recorded vote whether to grant the request.

(c) Within one working day of any vote taken pursuant to this section, the Board shall make available a written copy of such vote reflecting the vote of each Member on the question, and if a portion of a meeting is to be closed to the public a full written explanation of its action closing the meeting and a list of all persons expected to attend and their affiliation.

(d) For every closed meeting, the General Counsel of the Board shall publicly certify that, in his or her opinion, the meeting may be closed to the public and shall state each relevant exemption provision. If the General Counsel invokes the exemption for classified or sensitive unclassified information under §1704.4(a), he shall rely upon the classification or designation assigned to the document containing such information by the Department of Energy or other originating agency. A copy of such certification, together with a statement setting forth the time and place of the meeting and the persons present, shall be retained by the Board as part of the transcript, recording, or minutes required by §1704.8.

(2) The public announcement required by paragraph (a) of this section is made at the earliest practicable time.

(c) Immediately following each public announcement required by this section, or by §1704.7, the Board shall submit a notice of public announcement for publication in the Federal Register.
